TN SAVIN is an innovative service providing crime victims, victim advocates, and other concerned citizens free and confidential notification regarding a particular county inmate's release, transfer or escape from participating agencies.

TN SAVIN can provide registered users access to timely information about particular offenders 24-hours a day, over the phone, through the Internet, or by e-mail.

TN SAVIN is a project of the Tennessee Sheriffs' Association provided by a grant from the Office of Criminal Justice Programs funded under an agreement with the Tennessee Department of Finance and Administration.

Please do not depend only on this program for your protection. Maintain other contacts with your advocate, attorney or law enforcement officers assigned to your case.

*Please note: We advise you not to register a phone number that rings to a switchboard in order to ensure that you receive your notification.
